YOUR LEGACY IS THE IMPACT YOU HAVE TO POSITIVELY CHANGE LIVES INTO THE FUTURE. IT TAKES ACTION NOW TO ENSURE YOUR LEGACY ENDURES.

ESTABLISHING A PLANNED GIFT TO TANZANIA LIFE PROJECT FROM YOUR ESTATE WILL IMPROVE AND SAVE UNTOLD LIVES FOR GENERATIONS TO COME. IT CAN ALSO INSPIRE OTHERS TO FOLLOW YOUR EXAMPLE IN POSITIVELY CHANGING THE WORLD.

PLANNED GIVING

What is Planned Giving?

Planned giving is the process of making a significant charitable gift during a donor's life or at death that is part of a financial or estate plan. By taking a few steps now, you can possibly increase a gift given to TLP while maximizing the benefit to your loved ones and estate. It allows you to have the greatest impact in changing lives with the precious resources you've built in your lifetime.

What are the advantages of Planned Giving?

Planned giving can provide benefits such as:

- Tax savings
- Increased giving capacity (more than you may have thought possible)
- Memorial gifts

There are a number of simple ways to implement a planned gift that will allow you to maximize your gift to do **the most good**.

HOW TO MAKE A PLANNED GIFT

Will or Trust Bequest

A bequest is one of the easiest ways to make a planned gift. Working with an advisor, you can add language to your will or trust document that provides a gift to TLP such as:

- A percentage of your estate, enabling your gifts to all those intended to remain proportional regardless of how your estate fluctuates over the years
- Specific assets such as securities or tangible personal property
- A specific dollar amount

Information your advisor may need about our organization:

HOW TO MAKE A PLANNED GIFT

Beneficiary Designation

Another easy way to provide a planned gift to TLP is to name it as a beneficiary of your:

- Retirement plan (e.g., 401(k), 403(b), pension plan)
- IRA
- Life insurance policy (that has outlasted its purpose – providing for minor children who are now independent)
- Donor-advised fund (DAF)
- Investment Accounts

Just add TLP to the beneficiary designation form from your plan provider or administrator.

Giving from your IRA or Other Tax Deferred Accounts *(Required Minimum Distribution)*

The IRA Charitable Rollover law allows individuals 70 ½ years or older to give up to \$100,000 directly from their IRA to one or more qualified organizations (like TLP) without paying Federal income tax. It can also count toward their annual required minimum distribution (RMD) amount. This gift must be made directly from the account administrator and not pass through the IRA owner.

Appreciated Stocks, Bonds, Mutual Funds and Other Securities

By giving the gift of appreciated securities to TLP, you get credit on your income taxes for donating the current value of the securities while reducing (or potentially eliminating) your capital gains tax.

- Less time is spent getting water (minutes versus hours)
- Parents can spend more time at work
- Children can attend school rather than spending hours searching to collect water
- Families have more time together

Your Influence

Your example is powerful. When others see you have made a legacy gift, they may feel inspired to make a legacy gift too. When you join the TLP Legacy Society, the ripple effect of your example increases the impact of your gift many times over!
